Cottage Food Product Registration

Cottage food products can only be offered for direct or indirect sale or service when manufactured under an approved home-based business administrative permit issued by the Department of Planning and Development or a special permit approved by the Board of Zoning Appeals and after the food items are registered with the Health Department. Applicants for a home-based business will be directed to complete the cottage food product registration process by the permit holder using this form. **This is the initial registration of your cottage food products. An annual renewal of the registration of the cottage food products is required by the Health Department.**
